

Recognition and Celebration of Youth Philanthropy in Kaslo and Area D

The Community Fund of North Kootenay Lake Society invites individuals or organizations to nominate youth whose activities have benefitted individuals or communities in our region.

With consent of the youth (under 19, no lower age limit), please write to CFNKLS Box 661 Kaslo BC V0G 1M0 or e-mail or phone Joe Johnston (joejohnston@lardeauvalley.com or 250-366-4474) identifying the youth or group of youths together with their beneficial activities before Thursday, November 1. You do not have to be an adult to nominate.

Announcements and a celebration will be held on or near Philanthropy Day, November 15. Nominated youth will be asked how best to distribute at least \$500 to local charities as well as some ideas about community needs (food will likely be included).

If you would like to participate in or financially support this project of CFNKLS, please contact us.
