

P003 – Mission, Vision and Long-term Goals

Vision

CFNKLS embraces a vision of thriving and resilient rural communities of North Kootenay Lake.

Mission

CFNKLS empowers the communities of North Kootenay Lake to meet identified needs by developing and managing permanent endowment funds.

Long Term Goals

Within five years, we will have achieved the following goals:

- We are widely recognized as a well-respected organization in our communities
- We have transparent, effective and respected operating practices
- We have a steadily growing endowment fund that meets annual targets
- We have helped to transform our communities through seed funding and support for local projects
- Every community member has opportunities to be engaged in the stewardship of the endowment fund assets
- All generations are involved in philanthropy
- Community groups are more effective in achieving their goals and cooperate to find common ground
- There is greater individual engagement and volunteerism in our communities
- Youth are empowered to become active community members.
